College Activities

Men's Track and Field Team | The University of Iowa | Iowa City, IA

August 2023 – Present

Division I Athlete

- Balanced 15 semester hours of courses with 20+ hours of training weekly to maintain eligibility, utilizing valuable time and stress management skills in pursuit of two bachelor's degrees and athletic victories
- Competed with the nation's best in pursuit of B1G Championships, translating into success and confidence in the classroom and the professional world
- Cultivated a work ethic that thrives off competition, which hardened my resolve and willingness to do difficult, strenuous tasks in high-pressure scenarios

Tippie Business Honor Society | The University of Iowa | Iowa City, IA

January 2024 – Present

Director of Marketing

- Scheduled, financed, and coordinated social events for our members to attend, which boosted membership and garnered positive peer feedback
- Served as administrator for the organization's social media accounts, increasing our following by 27% in one year while developing graphic design skills
- Managed a committee of 50 people and facilitated communication with other committees in the organization, ensuring organization-wide success and continuity among our 200+ members

Iowa Student Athlete Advisory Committee | The University of Iowa | Iowa City, IA

May 2025 – Present

Men's Track and Field Team Representative

- Served as one of two individuals who ensure that team activities abide by the NCAA's guidelines, which assured that over 50 athletes and coaches maintained athletic eligibility
- Collaborated with other athletes and administrators to host department-wide events, expanding professional and post-graduate opportunities for over 600 student athletes at the University of Iowa
- Engaged in professional development opportunities to meet prospective employers and area professionals, fostering interpersonal skills and building experience in professional communication

Work Experience

IWI Motor Parts | Dubuque, Iowa

June 2019 – August 2021

Inventory Assistant

- Improved shelf organization in a warehouse of over 10,000 sq. ft., contributing to a faster restock process and better product accessibility for other employees
- Analyzed customer orders and on-sight inventory levels to quickly meet requests, which facilitated company goals across fourteen cities in three different states
- Communicated with counter staff to verify special orders and locate hard-to-find parts, enabling timely fulfillment of customer orders
